

Are you a *Class* Commuter or a *Crass* Commuter?

We hate to drag mom into this, but sometimes it's the best way. When riding the train, please pretend your mom is sitting next to you.

You wouldn't sputter profanities, be rude, or be excessively loud with mom by your side, and we like it that way! Please, be on your best behavior while onboard.

Are you a *Class* Commuter or a *Crass* Commuter?
