MINUTES
VRE Operations Board Meeting
PRTC Headquarters – Prince William County, Virginia
March 16, 2018

Members Present | Jurisdiction
---|---
Sharon Bulova (NVTC) | Fairfax County
Maureen Caddigan (PRTC) | Prince William County
John C. Cook (NVTC) | Fairfax County
Katie Cristol (NVTC) | Arlington County
Mark Dudenhefer (PRTC) | Stafford County
John D. Jenkins (PRTC) | Prince William County
Matt Kelly (PRTC) | City of Fredericksburg
Pamela Sebesky (PRTC) | City of Manassas
Paul Smedberg (NVTC) | City of Alexandria

Members Absent | Jurisdiction
---|---
Wendy Maurer (PRTC) | Stafford County
Jennifer Mitchell | DRPT
Suhas Naddoni (PRTC) | City of Manassas Park
Martin E. Nohe (PRTC) | Prince William County
Gary Skinner (PRTC) | Spotsylvania County

Alternates Present | Jurisdiction
---|---
Ruth Anderson (PRTC) | Prince William County
Michael McLaughlin | DRPT
Paul Trampe (PRTC) | Spotsylvania County

Alternates Absent | Jurisdiction
---|---
Pete Candland (PRTC) | Prince William County
Jack Cavalier (PRTC) | Stafford County
Hector Cendejas (PRTC) | City of Manassas Park
Libby Garvey (NVTC) | Arlington County
Jeanine Lawson (PRTC) | Prince William County
Tim Lovain (NVTC) | City of Alexandria
Jeff McKay (NVTC) | Fairfax County
Cindy Shelton (PRTC) | Stafford County
Billy Withers (PRTC) | City of Fredericksburg
Mark Wolfe (PRTC) | City of Manassas

Staff and General Public

Doug Allen – VRE | Lezlie Lamb – VRE
Paolo Belita – Prince William County | Bob Leibbrandt – Prince William County
Nydia Blake – Prince William County | Steve Maclsac – VRE Legal Counsel
Rich Dalton – VRE | Betsy Massie – PRTC
Greg Deibler – VRE | Kate Mattice – NVTC
John Duque – VRE | Charlotte Nourse – VRE
Lucy Gaddis – VRE | Kristen Nutter – VRE
Rhonda Gilchrest – NVTC | Aimee Perron Seibert – The Hillbridge Group
Chris Henry – VRE | Lynn Rivers – Arlington County
Tom Hickey – VRE | Scott Schenk – The Free Lance-Star
Christine Hoffner – VRE | Bob Schneider – PRTC
Todd Horsley – DRPT | Mark Schofield – VRE
John Kerins – Keolis | Joe Swartz – VRE
Cindy King – VRE | Clara Williams – DRPT
Mike Lake – Fairfax County DOT |
Vice-Chairman Cristol chaired the meeting since Chairman Nohe was on vacation. Vice-Chairman Cristol called the meeting to order at 9:06 A.M. Following the Pledge of Allegiance, Roll Call was taken.

Approval of the Agenda – 3

Mr. Kelly moved, with a second by Mr. Smedberg, to approve the Agenda. The vote in favor was cast by Board Members Anderson, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

Approval of the Minutes of the February 16, 2018 Operations Board Meeting – 4

Ms. Caddigan moved, with a second by Mr. Kelly, to approve the Minutes. The vote in favor was cast by Board Anderson, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky and Smedberg. Mr. Trampe abstained.

Chairman’s Comments – 5

Vice-Chairman Cristol remarked VRE has a few things to celebrate from the recent General Assembly Session. She asked Mr. Swartz and Ms. Siebert to give an update on legislation passed in the General Assembly. Mr. Swartz reviewed VRE’s three legislative priorities, which include a gas tax floor, transit capital funding to fix the fiscal cliff, and dedicated funding for VRE. Legislation was passed on a gas tax floor and $15 million in dedicated funding for VRE as well as the creation of a Commuter Rail Operating and Capital (CROC) fund. Unfortunately, no legislation was passed to address the transit capital funding.

Ms. Siebert thanked all of VRE’s partners (NVTC, PRTC, NVTA, Northern Virginia Chamber of Commerce, and the jurisdictions) for all their hard work. It was a team effort. Legislation passed that provides $154 million for WMATA, $15 million for VRE and a gas tax floor. She stated it is important to keep working forward, as the governor will most likely amend the bills. In response to a question from Mr. Smedberg, Ms. Siebert noted the Veto Session and a Special Session on the budget will occur on April 18th. Any changes made by the governor must occur by April 9th. The two bills (HB1539 and SB856) awaiting the governor’s signature are virtually identical. It is anticipated the governor will amend one version. The General Assembly cannot amend bills presented during the Veto Session.

[Ms. Bulova arrived at 9:13 A.M.]

Mr. Kelly commended VRE with developing a focused legislative agenda with specific requests, which resulted in some success. He stated the fiscal cliff still needs to be addressed since the dynamics are not going to change. Regarding the gas tax floor, much of the additional revenue will be shifted to VRE. He stated the City of Fredericksburg understands the importance of VRE, but the smaller jurisdictions don’t have another funding source for local projects. Ms. Siebert explained the bill still leaves $7.5 million in additional gas tax revenue for PRTC jurisdictions. Mr. Kelly expressed his concern that only regional funds are being used to mitigate the problem. Vice-Chairman Cristol stated VRE staff will be analyzing the implications in reductions in NVTA funding.
Board members acknowledged all the hard work of Ms. Siebert, along with VRE, NVTC, PRTC and jurisdictional staff. Vice-Chairman Cristol announced the Legislative Committee will meet immediately after this meeting to discuss these legislative issues in more depth. She invited all Board Members to attend.

Vice-Chairman Cristol stated the Operations Board photo has been rescheduled to the April meeting.

**Chief Executive Officer’s Report – 6**

On behalf of the VRE staff, Mr. Allen thanked Mr. Swartz and Ms. Siebert, as well as Secretary of Transportation Valentine, Deputy Secretary Donohue and DRPT Director Mitchell and her staff, for advancing VRE’s legislative interests in Richmond. He stated it is rewarding to have a good relationship with the Commonwealth.

Mr. Allen reported on March 13th an Amtrak auto train stuck a vehicle near the Lorton Station. VRE service was impacted and he thanked PRTC for providing bus bridges. He also reported on-time performance for February was 95 percent system wide and average daily ridership was 19,000.

Mr. Allen acknowledged Kristin Nutter, who was recently promoted to Manager of Purchasing and Contract Administration. He recognized VRE’s Chief Safety, Security and Compliance Officer, Greg Deibler, who was selected as Railway Age’s Fast Trackers – Top 10 Under 40, which identifies the top 10 rising industry stars making an impact in their respective fields and represent the “best of the best.” Mr. Allen announced Jennifer Young, VRE’s Senior Communications Specialist, participated as one of five finalists for the 2018 APTA Call Center Challenge, where they faced off in a national competition to test their customer services and problem-solving skills. Mr. Allen also introduced Charlotte Nourse, VRE’s new Communications Specialist.

Mr. Allen gave some highlights of the Lorton Station Extension Project Ribbon Cutting Ceremony on March 15th. As part of VRE’s Natural Growth Strategy, platforms will be extended at all stations. Rolling Road Station is the next station for improvements. He also reported VRE is also on track to meet the Positive Train Control deadline on December 31, 2018.

Mr. Allen asked Ms. Hoeffner to give a presentation on the Broad Run Expansion project. Ms. Hoeffner stated VRE was awarded funding from NVTA through the I-66 Outside the Beltway Concessionaire Payment to make comprehensive improvements to the Broad Run Station, including improvements to the station, parking, and maintenance and storage facility.

Ms. Hoeffner explained the current surface parking lot has 1,081 spaces and 88 percent of passengers arrive via Piper Lane, which connects to Route 28. VRE is looking for ways to mitigate impacts to Piper Lane and distribute traffic to other roads. She reviewed the complexity of the expansion project, as well as preserving opportunities for future expansion. There are a number of constraints that impact where VRE can expand, including vertical and height restrictions associated with airport operations. To accomplish parking expansion, VRE is looking at various sites within the footprint of the existing
station site as well as adjacent to the station. She identified private land on the other side of the tracks that would provide space for additional parking as well as an additional point of access to help distribute traffic. Staff has concluded a preferred concept for the yard expansion and station platform, while parking alternatives are still being explored. Staff plans to come back with a preferred concept in April.

Mr. Cook asked why VRE is not considering a parking garage facility. Ms. Hoeffner explained with the timeframe to spend the NVTA funding by Toll Day 1 (2022) of the I-66 Outside the Beltway project, it could be a challenge to complete improvements and get through the design, engineering and construction of a parking structure. Surface parking is more achievable to meet the near-term timeline. VRE plans to present long-term alternatives for future expansion, which could include a parking structure. Mr. Cook and Mr. Smedberg both noted five years seems like enough time to construct a parking structure. Mr. Cook stated VRE does not need a new design plan and suggested using a design plan from another station, such as Burke Centre. Mr. Allen also noted other challenges, including height restrictions, with the station being so close to Manassas Airport’s flight path. Mr. Allen stated staff can do more analysis on a parking garage facility and bring back more information to the Board. Vice-Chairman Cristol directed staff to return with a cost benefit analysis of a parking structure versus surface parking.

VRE Riders’ and Public Comment – 8

There were no rider comments.

Authorization to Issue a Request for Proposals for Facility Security Services – 9A

Mr. Allen stated the Operations Board is being asked to authorize him to issue a Request for Proposals (RFP) for Facility Security Services for a period of a base year and four option years. Resolution #9A-03-2018 would accomplish this.

Mr. Allen explained VRE uses a multi-pronged strategy to protect its assets and personnel, including armed security officers at the maintenance and storage facilities and other locations. VRE’s current contract will expire in November 2018 and there needs to be a seamless transition to a new contract. After evaluation of the proposals, staff will return to the Board to request authorization to award the contract.

Mr. Kelly moved, with a second by Ms. Bulova, to approve Resolution #9A-03-2018. The vote in favor was cast by Board Members Anderson, Bulova, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

Authorization to Amend the Contract for Safety and Security Consulting Services – 9B

Mr. Allen stated the Operations Board is being asked to authorize him to amend the current Safety and Security Consulting Contract with Kensington Consulting, LLC, of Kensington, Maryland, to increase the authorization in the amount of $100,000 for a total amount not to exceed $500,000. Resolution #9B-03-2018 would accomplish this.

In response to a question from Mr. Smedberg, Mr. Allen stated as design and construction work has increased, the current authorization of $400,000 for this contract has been fully
committed at the end of December 2017 (the first month of the second-year option). The amount being requested for this amendment will allow for additional consulting services to continue through the second option year of this contract, ending November 2018, as VRE goes through the procurement process for the next Security Consulting Services contract.

Ms. Bulova moved, with a second by Ms. Caddigan, to approve Resolution #9B-03-2018. The vote in favor was cast by Board Members Anderson, Bulova, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

**Authorization to Amend the Contract for Fare Collections Equipment and Software Maintenance – 9C**

Mr. Allen stated the Operations Board is being asked to authorize him to execute a contract amendment with Scheidt & Bachmann for maintenance of the fare collection system equipment and software. The term of the amendment is one additional year at a cost of $702,820, which includes a 2.6 percent escalation based on the Producer Price Index (PPI). The total amount of this amendment is $702,820, with no contingency, bringing the total contract authorization amount from $14,048,177, to an amount not to exceed $14,750,997. Resolution #9C-03-2018 would accomplish this.

Mr. Jenkins moved, with a second by Ms. Bulova, to approve Resolution #9C-03-2018. The vote in favor was cast by Board Members Anderson, Bulova, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

**Authorization to Execute a Contract for Insurance Brokerage Services – 9D**

Mr. Allen stated the Operations Board is asked to authorize him to execute a contract with Aon Risk Services, Inc., of Baltimore, Maryland for Insurance Brokerage Services in the amount of $740,000, plus a five percent contingency of $37,000, for a total amount not to exceed $777,000, for a base period of three years and two option years, with the CEO exercising the option years at his discretion. Resolution #9D-03-2018 would accomplish this.

Ms. Smedberg moved, with a second by Ms. Bulova, to approve Resolution #9D-03-2018. The vote in favor was cast by Board Members Anderson, Bulova, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

**Authorization to Issue a GPC Task Order for the FY 2018 National Transit Database Data Collection – 9E**

Mr. Allen stated the Operations Board is being asked to authorize him to issue a General Planning Consultant (GPC) Task Order to Vanasse Hangen Brustlin, Inc. (VHB) for National Transit Database (NTD) ridership data collection for FY 2018 in the amount of $128,274, plus a 10 percent contingency of $12,827, for a total not to exceed $141,101. Resolution #9E-03-2018 would accomplish this.

Vice-Chairman Cristol asked how automatic passenger counters factor into this work. Mr. Allen explained once the counters are installed, calibrated, and verified consistent, they will
help supplement this work and make it easier to submit NTD data. It could result in some cost savings.

Ms. Caddigan moved, with a second by Mr. Kelly, to approve Resolution #9E-03-2018. The vote in favor was cast by Board Members Anderson, Bulova, Caddigan, Cook, Cristol, Dudenhefer, Jenkins, Kelly, McLaughlin, Sebesky, Smedberg and Trampe.

**Spending Authority Report –10A**

The written report includes one task order in the amount of $80,809 to NVE, Inc. under the Maintenance Services for VRE Facilities Contract for installation of a booster pump at the Crossroads Yard. There were no questions or comments.

**Operations Board Member Time – 12**

Ms. Caddigan wished everyone a happy Saint Patrick’s Day.

**Adjournment**

Without objection, Vice-Chairman Cristol adjourned the meeting at 9:56 A.M.

Approved this 20th day of April 2018.
