VRE Recognized for Excellence in Financial Reporting

Alexandria, Va. – The Virginia Railway Express (VRE) has received its 13th consecutive Certificate of Achievement for Excellence in Financial Reporting for its [Comprehensive Annual Financial Report](#). The certificate, awarded by the [Government Finance Officers Association](#) (GFOA), is the highest form of recognition in governmental accounting and financial reporting. An impartial panel determined that VRE's financial report for fiscal years 2019 and 2018 met the association's highest standards, "which include demonstrating a constructive 'spirit of transparency and full disclosure' to clearly communicate its financial story and motivate potential users and user groups to read the report," according to the GFOA.

"Transparency in financial reporting is an obligation that VRE takes seriously," said Rich Dalton, the commuter railroad's CEO. "We are committed to ensuring that our riders, the jurisdictions that help fund our service, and anyone with an interest in VRE can understand and appreciate our financial position. This recognition is testament to the oversight provided by our Operations Board and the hard work of VRE staff."

The 13th largest commuter rail service in the United States, VRE is a transportation partnership of the Northern Virginia and Potomac & Rappahannock Transportation Commissions. VRE's mission is to provide safe, cost effective, accessible, reliable, convenient, and customer responsive commuter-oriented passenger rail service. The 4.5 million rides the railroad provides annually in Northern Virginia and Washington D.C. remove some 100 million vehicle miles from the region's interstates. Learn more at www.vre.org.
