I. INTRODUCTION TO RFP

01. PURPOSE
The purpose of this Request for Proposals (RFP) is to establish a Contract with one (1) qualified and experienced Contractor to provide a full range of website management services to include development, maintenance, design, technical guidance and support as well as frontend and backend programming for VRE’s website (www.vre.org) to include subdomains. The Contractor shall also be responsible for website hosting and maintenance and for providing VRE with a Content Management System (CMS).

02. VRE BACKGROUND
A. VRE is a commuter rail service linking the District of Columbia and Northern Virginia. The Northern Virginia Transportation Commission (NVTC) and the Potomac and Rappahannock Transportation Commission (PRTC) are transportation districts established under Virginia law and jointly own this service. An Operations Board consisting of members from each of the jurisdictions within the VRE service area governs the development and operation of VRE and serve as an advisory board to the NVTC and PRTC governing boards.

B. VRE began operations in 1992 and operates service on two (2) lines utilizing tracks from Union Station in Washington D.C. operating south to Spotsylvania, Virginia and west to Manassas, Virginia. The Fredericksburg and Manassas lines serve nineteen (19) stations with four (4) common station facilities, Union Station, L’Enfant, Crystal City, and Alexandria.

C. The primary mission of VRE is to provide commuter-oriented passenger rail service between the outlying suburbs and the Washington-Arlington-Alexandria urban core. Some tourists and “day-trippers” also ride the trains, but there are limited opportunities for non-commuters and people that work non-traditional hours to ride VRE. VRE operations are heavily oriented towards northbound service to the Washington-Arlington-Alexandria urban core in the morning peak and in the opposite direction in the evening peak.

III. INSTRUCTIONS FOR OFFERORS

01. COMPETITIVE NEGOTIATION FOR PROFESSIONAL SERVICES
This solicitation is a competitive negotiation, as defined in the PRTC and VRE Public Procurement Policy and Procedures Manual. The content of the Proposals is not public record until a Notice of Intent to Award has been issued. The opening of Proposals is therefore not public.

02. PROPOSAL AND CONTRACT REQUIREMENTS
A. VRE follows Virginia procurement laws. Accordingly, all applicable State requirements will apply. Offerors are expected to become familiar with these requirements and shall not submit Proposals if unable to execute a Contract containing such provisions.

B. VRE will provide a Contract containing these provisions for execution by the prospective Contractor that is selected. Offerors shall not use their own standard contracts for this engagement.

03. OBLIGATION OF CONTRACTOR
A. Before submitting a Proposal, the Offeror shall be responsible for reading and examining the solicitation documents including these Instructions for Offerors. Submission of a Proposal shall be deemed verification of such reading and examination by the Offeror.

B. By submitting a Proposal, the Offeror agrees that it has satisfied itself from a personal investigation of the conditions to be met, that the obligations herein are fully understood, and no claim may be made, nor will there be any right to cancellation or relief from the Contract because of any misunderstanding or lack of information.

04. COMPETITION INTENDED
It is VRE’s intent that this solicitation promote competition. It shall be the Offeror's responsibility to advise VRE if any language or requirements included in this RFP restrict or limit the purchase to a single source. Such notification must be received by the VRE Purchasing Manager, in writing, not later than fifteen (15) calendar days prior to the date and time set for receipt of Proposals. A review of such notification will be made, and the Offeror notified of the results of the review.

05. COLLUSION BETWEEN OFFERORS
Reasonable grounds for believing that collusion exists between Offerors will result in rejection of all affected Proposals. However, an individual or entity acting as a Subcontractor may be included as a Subcontractor on two or more different Offerors’ Proposals. Offerors rejected under this provision will also be disqualified if they respond to a re-solicitation for the same work.
06. **POINT OF CONTACT**
A. All inquiries or correspondence related to this RFP shall be directed to the VRE Purchasing Manager whose name and contact information appear on the face of this solicitation.

B. Communications relating to this RFP, other than to the VRE Purchasing Manager, are prohibited during the RFP response period. **Do not contact VRE consultants or VRE personnel other than the VRE Purchasing Manager regarding this solicitation.**

07. **WRITTEN COMMUNICATIONS**
A. VRE will assume no responsibility for any understanding or representations concerning conditions made by any of its officers or agents prior to the execution of the Contract, unless included in this RFP or related documents or addenda thereto.

B. Oral explanations or instructions given before award of the Contract will not be binding.

08. **CLARIFICATION OF TERMS**
If an Offeror has questions about the solicitation documents, the Offeror shall contact the VRE Purchasing Manager whose name appears on the face of the solicitation. Any revisions to the solicitation will be made only by addendum issued by VRE.

09. **AVAILABILITY OF SOLICITATION DOCUMENTS**
The electronic versions of the solicitation documents are intended to provide convenience to prospective Offerors. Be advised that it is the responsibility of prospective Offerors to monitor VRE’s website for any addenda, notices or postings. Failure to submit signed addenda may be grounds to declare a Proposal non-responsive.

10. **PRE-PROPOSAL MEETING**
A. A **non-mandatory pre-proposal meeting** to discuss the requirements of this solicitation will be held for prospective Offerors via GoToMeeting video conference **on the date and time specified in Part II. – PROCUREMENT SCHEDULE of this RFP.**

B. The video conference will use audio through the microphone and speakers on your computer, tablet or smartphone. However, there is also an ability to participate by phone as an audio-only option.

D. Offerors interested in participating in the video conference shall confirm their desire to participate by contacting the Purchasing Manager, whose name and
contact information appear on the face of this solicitation, prior to the date and time specified in PART II – PROCUREMENT SCHEDULE of this RFP. It is recommended that prospective Offerors monitor VRE’s website for an addendum which may change the format or date/time of the pre-proposal meeting.

11. **SUBMISSION OF WRITTEN QUESTIONS**

A. **Deadline:** All questions and requests for clarification regarding the meaning or interpretation of this RFP and other solicitation documents, or any ambiguities, discrepancies, inconsistencies, or conflicts in or between any of the technical, pricing, or contractual provisions, must be submitted no later than the **date and time specified in PART II. – PROCUREMENT SCHEDULE** of this RFP. Questions and clarifications requested after such time will not be answered unless VRE elects, at its sole discretion, to do so.

B. **Format for Questions:** Questions must be submitted in Microsoft Word format and include the related **Section Number and Title**.

C. **VRE Point of Contact:** Questions must be submitted to the VRE Purchasing Manager in writing via electronic mail as listed on Page 1 of this RFP. No questions or requests for additional information, clarification or any other communication should be directed to any other individual.

D. **No oral communication will be accepted.** VRE will not be bound by any oral communications, or written interpretations or clarifications that are not set forth in an addendum.

E. Questions and responses will be posted on VRE’s website at [www.vre.org](http://www.vre.org).

F. Any interpretation of a question made by VRE will be responded to and distributed in the form of an addendum to the RFP and will be available to all interested Offerors through VRE’s website.

12. **ADDENDA**

VRE may issue addenda to the RFP. Addenda, if any, will be issued at least five (5) calendar days prior to the Proposal closing date. Any addendum issued less than five (5) calendar days prior to the closing date will, if necessary, contain a provision modifying the Proposal closing date to a date that will provide Offerors adequate time to respond to the addendum.

13. **MODIFICATION OF PROPOSAL CLOSING DATE**

VRE reserves the right to modify the Proposal closing date and/or time. If Offerors have already submitted their Proposals to VRE when the Proposal closing date and/or time are modified, VRE will afford those Offerors the opportunity to revise or withdraw their Proposals.
14. **VRE INCLEMENT WEATHER POLICY**
In the event of inclement weather conditions, such as heavy snowfall, icy streets and sidewalks, flooding, earthquakes, tornadoes, and other natural disasters, which result in the cancellation of VRE service operation, the Proposal due date will be extended to the next business day VRE service operates. Notifications of service operation interruptions and the resumption of service are generally posted on VRE’s website. An official addendum to the solicitation will be posted on VRE’s website at the earliest opportunity once VRE service resumes operation.

15. **CANCELLATION/WITHDRAWAL OF RFP**
VRE reserves the right to cancel or withdraw in whole or in part this RFP at its sole discretion. Offerors will be notified in the event the RFP is cancelled via VRE’s website.

16. **WAIVER OF INFORMALITIES**
VRE reserves the right to waive informalities and minor irregularities in Proposals.

17. **WITHDRAWAL OF PROPOSAL PRIOR TO CLOSING DATE**
Proposals may be withdrawn by written notice from the Offeror to the VRE Purchasing Manager prior to the RFP closing date and time. The withdrawal shall be made by the person signing the Proposal or by any individual who is authorized by the Offeror. The Offeror must provide written evidence of the individual’s authority to withdraw the Proposal if the individual withdrawing the Proposal is other than the person signing the Proposal. Proposals may be withdrawn no later than two (2) business days prior to the closing date.

18. **LATE PROPOSALS**
Proposals received after the Proposal closing date and time shall not be considered. Late Proposals will be returned to the Offeror UNOPENED, if the solicitation number, closing date and Offeror’s return address are shown on the package.

19. **WITHDRAWAL OF PROPOSALS AFTER PROPOSAL OPENING**
   A. Requests for withdrawal of Proposals after opening of such Proposal, but prior to award, shall be transmitted to the VRE Purchasing Manager. The Offeror shall give notice in writing of its claim of right to withdraw its Proposal accompanied by full documentation supporting the request (original work papers, documents, and materials used in the preparation of the Proposal). If the request is based on a claim of error, documentation must show the basis of the error. Proposals may be withdrawn within two (2) business days of the conclusion of the Proposal opening procedure.
   
   B. Proposals may be withdrawn for good cause after the closing date and prior to award. No Offeror who is permitted to withdraw a Proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the Contract is awarded or
otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn Proposal was submitted.

C. An Offeror may withdraw its Proposal from consideration if the price/cost Proposal was substantially lower than the other Proposals due solely to a mistake therein, provided the Proposal was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a Proposal, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the Proposal sought to be withdrawn.

D. If VRE denies the withdrawal of a Proposal within ten (10) calendar days after receiving notice from the Offeror under the provisions of this Section, VRE will notify the Offeror in writing stating the reasons for its decision and award the Contract to such Offeror at the proposed price, provided such Offeror is a responsible and responsive Offeror.

20. **REJECTION OF propOsals**

A. VRE expressly reserves the right to reject any or all Proposals or any part of a Proposal, and to resolicit the services in question, if such action is deemed to be in the best interest of VRE.

B. Proposals which fail to meet the solicitation requirements, or which are incomplete, conditional or obscure, or which contain additions not called for, erasures, alterations or irregularities of any kind or in which errors occur, or which contain abnormally high or abnormally low prices, for any class or item of work, may be rejected as invalid at VRE’s discretion.

C. The receipt of more than one (1) Proposal from the same Offeror, whether or not the same or different names appear on the signature page, shall result in none of the Offeror’s Proposals being considered.

D. Reasonable proof for believing that any Offeror has an interest in more than one (1) Proposal for the work contemplated will cause the rejection of all Proposals made by the Offeror directly or indirectly.

E. Any or all Proposals shall be rejected if there is reason to believe that collusion exists among the Offerors.

21. **DISPOSITION OF propOsals**

Offerors’ Proposals will not be returned. VRE will retain the original Proposal for the contract file and destroy the remaining copies.

22. **propOSAL prepARATION COSTS**

This RFP does not commit VRE to an award, nor to pay any costs associated with the preparation and/or submission of any Proposal. VRE shall not reimburse any
costs incurred by Offerors in responding to this RFP or in competing for Contract award.

23. **QUALIFICATION OF OFFERORS**
VRE may make such reasonable investigations as deemed proper and necessary to determine the ability of the Offeror to furnish the services and/or goods required in the performance of this Contract. The Offeror shall furnish to VRE all such information and data for this purpose as may be requested. VRE further reserves the right to reject any Proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy VRE that such Offeror is properly qualified to carry out the obligations of the Contract and to provide the services and/or goods contemplated therein.

24. **ADDITIONAL INFORMATION**
VRE reserves the right to ask any Offeror to clarify its Proposal.

25. **PRE-AWARD SURVEY**
A. After the due date and prior to Contract award, VRE shall have reviewed and evaluated all data submitted by the Offeror.

B. VRE reserves the right to perform or have performed a financial review of the successful Offeror’s resources, and to require the submission of a statement of work in progress by the Offeror.

C. VRE may make such reasonable investigations as deemed proper and necessary to determine the Offeror’s responsibility and ability to perform the Contract. The Offeror shall furnish VRE such information and data for this purpose as may be requested. VRE reserves the right to inspect the Offeror’s physical firm prior to award to satisfy questions regarding the Offeror’s capabilities.

26. **DEBARMENT STATUS**
A. By submitting a Proposal, and completing the representation and certifications, the Offeror certifies that it is not currently debarred, suspended, declared ineligible or voluntarily excluded from submitting Proposals on contracts by any agency of the Commonwealth of Virginia or the U.S. Federal Government, nor are they an agent of any person or entity that is currently debarred from submitting Proposals on contracts by an agency of the Commonwealth of Virginia or the U.S. Federal Government. Contractors debarred by the Commonwealth Transportation Board and/or the U.S. Federal Government shall be ineligible to submit a Proposal to VRE.

B. By submitting a Proposal, the Contractor further certifies that it is not debarred, suspended, declared ineligible, or voluntarily excluded from participating in contracts with the Commonwealth of Virginia or the U.S. Federal Government, and that it will refrain from awarding any subcontract to a debarred or suspended Subcontractor.
C. In addition, prospective contractors agree to comply with the requirements of Executive Orders Nos. 12549 and 12689, "Debarment and Suspension," 31 USC Section §6101 note; and U.S. DOT regulations, “Government Debarment and Suspension (Non-procurement),” within 49 CFR Part 29.

27. CONFLICT OF INTEREST STATEMENT
A. The Offeror shall provide a statement disclosing any potential conflict of interest they, any of its joint venture partners, any subsidiaries of a joint venture partner, any companies sharing common ownership with a joint venture partner, or any of its Subcontractors may have in regard to this procurement. The statement shall have the notarized signature of a principal of the Offeror, on the form provided in this solicitation.

B. A conflict situation can arise when an Offeror takes action or has interests that interfere with the Offeror’s ability to perform its work objectively and effectively. The Purchasing Manager may preclude those entities from receiving an award for any such work reasonably deemed to pose a conflict of interest with the work provided hereunder.

C. The Offeror, any of its joint venture partners, any subsidiaries of a joint venture partner, any companies sharing common ownership with a joint venture partner, or any of its Subcontractors will be precluded from providing other services to VRE which conflict with its services under this Contract.

28. INSPECTION OF PROPOSALS
The Virginia Freedom of Information Act, §2.2-3700 et seq. shall govern the release of public records related to this procurement. B. Any Offeror that is not required to be authorized to transact business in the Commonwealth must include in its Proposal a statement describing why the Offeror is not required to be so authorized. 1. VRE issues a Request for Task Order Proposal in the form of a letter or e-mail to the Contractor, to include a Scope of Work, requesting a Task Order Proposal from the Contractor, to include a price proposal, by a specified date. The PM is responsible for the overall project management and serves as the technical liaison to the Contractor. C. The Contractor is responsible for all costs and expenses incurred by VRE when such costs and expenses are the result of any violation of this Standard of Care provision. VRE’s review, approval or acceptance of or payment for any services required under this Contract does not release the Contractor from any liability for breach of this Standard of Care provision.

05. **CONFORMITY WITH SCOPE OF WORK**
All deviations from the Scope of Work shall be authorized in writing by VRE. No extra compensation for material or labor shall be allowed for work evidently necessary within the general intent of the Scope of Work.

   C. A written preliminary notice of VRE’s intention to exercise an option will be given approximately thirty (30) calendar days prior to the expiration date of the Base Period and each Option Year Period. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary Contract.

3. The Contractor's obligation to pay an interest charge to a Subcontractor pursuant to the provisions of this Section may not be construed as an obligation by VRE. B. The Contractor shall, without additional compensation, correct or revise any errors or deficiencies in its work or services provided for VRE.

C. Neither VRE’s review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the Contractor shall be and remain liable to VRE in accordance with applicable law for all damages to VRE caused by the Contractor's negligent performance of any of the services furnished under this Contract.

D. If the Contractor is comprised of more than one legal entity, each such entity shall be jointly and severally liable hereunder.

E. The rights and remedies of VRE provided for under this Contract are in addition to any other rights and remedies provided by law.

The Contractor shall not use or allow others to use the work products for any purpose other than performance of this Contract without the written consent of VRE.

C. The work products are confidential, and the Contractor may neither release the work products nor share their contents. The Contractor shall refer all inquiries regarding the status of any work product to the VRE Project Manager or to his or her designee. At VRE’s request, the Contractor shall deliver all work products, including hard copies of electronic files, to the VRE Project Manager.

D. The Contractor must include the provisions of this Section as part of any contract or agreement related to this Contract into which it enters with Subcontractors or other third parties.

E. If any invention, improvement, or discovery of the Contractor or any of its Subcontractors or lower-tier subcontractors is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, VRE and the Contractor agree to take actions necessary to provide immediate notice and a detailed report to the party at a higher tier until all applicable VRE funding partners are ultimately notified.

F. The provisions of this Section will survive any termination or cancellation of this Contract.

13. **CONFIDENTIAL INFORMATION**
   A. The Contractor and its employees, agents and Subcontractors shall hold as confidential all VRE information obtained under this Contract. Confidential information includes, but is not limited to, non-public personal information; social security numbers; credit/debit card numbers; addresses; dates of birth; other contact information or medical information about a person; and information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions, processes, plans and expertise.

   B. The Contractor must take reasonable measures to ensure that all of its employees, agents and Subcontractors are informed of and abide by this requirement.

14. **DISSEMINATION OF CONTRACT INFORMATION**
    The Contractor shall not discuss, publish, permit to be published, or distribute for public consumption, and information, oral or written, or any material concerning this Contract, without the prior written consent of VRE.

15. **CHANGES**
    A. By written notice to the Contractor, VRE may from time to time make changes within the general scope of the Contract in the services to be provided by the
Contractor, the method or place of delivery, or the place of performance. Changes may also be made by mutual agreement between the parties in writing. The Contractor shall promptly comply with the notice and shall perform all services in conformity to the notice.

B. If any such changes cause an increase or decrease in the Contractor’s cost of performance or the time required for performance, an equitable adjustment in the Contract price and/or the time allowed for performance of the Contract shall be negotiated and the Contract modified accordingly. Any claim by the Contractor for adjustment under this clause must be asserted by written notice to VRE within thirty (30) days from the date of receipt by the Contractor of the change notice. If the parties fail to agree to an adjustment, the question of an increase or decrease in the Contract price or time allowed for performance shall be resolved in accordance with the procedures for resolving disputes provided by the dispute’s clause of the Contract. Neither the existence of a claim, a dispute, submission of the dispute or the dispute resolution process, litigation or any portion of this provision or changes shall excuse the Contractor from promptly proceeding with performance of the Contract as changed by the notice.

16. DELAYS
A. Upon written receipt of a request and justification for an extension from the Contractor, the VRE Contracting Officer may extend the time for performance of the Contract or delivery of work specified herein at the VRE Contracting Officer’s sole discretion for good cause shown. Under no circumstances will VRE be responsible for consequential costs associated with delays.

B. The Contractor shall use reasonable diligence to remove or overcome any such causes as expeditiously as possible.

17. SUBCONTRACTING
A. No portion of the work shall be subcontracted without the prior written consent of VRE. In the event the Contractor desires to subcontract part of the work specified herein, the Contractor shall submit with its Proposal, a list of the Subcontractor(s) and their names, required certifications, qualifications, experience, project assignment and contact information.

B. The Contractor shall be responsible for completely supervising and directing the work under this Contract and all Subcontractors that it may utilize, using its best skill and attention. Subcontractors who perform work under this Contract shall be responsible to the Prime Contractor. The Contractor agrees that it is as fully responsible for the acts and omissions of its Subcontractors and of persons employed by each Subcontractor as it is for the acts and omissions of its own employees.

C. Any Subcontractor and outside associates or consultants required by the Contractor in connection with the services covered by the Contract will be limited to individuals or firms that were specifically identified and agreed to during
negotiations. The Contractor shall obtain the Contracting Officer's written consent before making any substitution or addition to these Subcontractors or associates.

D. During the period of performance, the Contractor shall not substitute Subcontractor(s) and/or the Subcontractors’ key personnel without the prior written approval of VRE. Any new Subcontractor(s) must be identified as per the above paragraph. The Contractor shall provide VRE with information as to the circumstances necessitating the proposed change and other information as requested.

E. The Contractor shall notify VRE within five (5) calendar days after the occurrence of any of these events and provide information as to the circumstances necessitating the proposed change, the new Subcontractor information and other information as requested. Proposed substitutions must have comparable qualifications and experience to those being replaced. VRE will notify the Contractor within ten (10) calendar days after the receipt of all required information if this change is approved. VRE and the Contractor shall subsequently amend the required Contract documents.

F. VRE reserves the right to request from the Contractor during the solicitation process and any time during Contract performance, additional information about a Subcontractor proposed by the Contractor, that VRE deems necessary to evaluate the qualifications of the Subcontractor.

G. The Contractor shall, however, remain fully liable and responsible for the work to be done by its Subcontractor(s) and their subcontractor(s) and shall assure compliance with all requirements of the Contract.

H. The Contractor agrees to require its Subcontractors and sub-subcontractors to include adequate provisions to ensure compliance with applicable Federal and State requirements in each subcontract and sub-subcontract. Furthermore, the Contractor agrees to include appropriate clauses in each subcontract stating the Subcontractor’s responsibilities under Federal and State law, regulation, and directive, including any necessary provisions requiring the Subcontractor to extend applicable requirements to its subcontractors to the lowest tier necessary.

18. **KEY PERSONNEL**

A. Certain skilled, experienced, professional and/or technical personnel are essential for successful accomplishment of the work to be performed under the Contract. These are defined as “Key Personnel” and are those persons whose resumes were submitted for approval as part of the Technical Proposal for evaluation. No substitutions may be made except in accordance with this clause. Key personnel are defined as follows:

1. Personnel identified in the Bid/Proposal as key individuals to be assigned for participation of the Contract;
2. Personnel whose resumes were submitted and approved by VRE; or

3. Individuals who are designated as key personnel by VRE.

B. The Contractor understands that no Key Personnel substitutions will be permitted unless these substitutions are unavoidable because of sudden illness, death or termination of employment. In any of these events, the Contractor shall promptly notify the VRE Purchasing Manager and provide the information described in Paragraph D. below.

C. The Contractor must submit to the VRE Purchasing Manager all proposed substitutions, in writing, at least fifteen (15) calendar days in advance and provide the information required by Paragraph D. below.

D. Any request for substitution must include a detailed explanation of the circumstances necessitating the proposed substitution, a resume for the proposed substitute, and any other information requested by the VRE Purchasing Manager. Any proposed substitute must have qualifications equal to or superior to the qualifications of the incumbent. VRE will evaluate such requests and promptly notify the Contractor in writing of its approval or disapproval. If disapproved, VRE may, in its sole discretion, permit the Contractor to promptly submit an alternate substitution.

E. The provisions of this Section shall be applicable to any subcontract which may be entered into.

F. In the event that any of the identified Key Personnel cease to perform under the Contract and the substitute is disapproved, the Contract may be immediately terminated in accordance with the Termination for Default provision of the Contract.

19. INDEPENDENT CONTRACTOR
The Contractor is and shall be in all events, an independent contractor. Nothing herein shall be construed as constituting the Contractor as an agent, partner, employee, or legal representative of VRE for any purpose. Neither the Contractor nor its employees shall be entitled to or eligible to participate in any benefits, privileges or plans given by or established for the benefit of VRE or its employees.

20. NOTIFICATION OF OWNERSHIP CHANGES
The Contractor shall notify VRE in writing when the Contractor becomes aware that a change in its ownership is certain to occur. The Contractor shall also include this provision in all subcontracts under this Contract, requiring each Subcontractor to notify VRE in writing when the Subcontractor becomes aware that a change in its ownership is certain to occur.
21. **AVAILABILITY OF FUNDS**
It is understood and agreed that VRE shall be bound to the Contract only to the extent of the funds appropriated for the purpose of the Contract. If funds are reduced or eliminated by the Commonwealth of Virginia or any Federal, State or Local funding partners, the Contract can be terminated under the provisions of the Contract.

22. **AUTHORIZED FUNDING**
   
   A. If at any time the Contractor has reason to believe that the costs to VRE which will accrue in the performance of the Contract in the next succeeding thirty (30) days, when added to all other payments previously accrued, will exceed seventy-five percent (75%) of the then current total authorized funding, the Contractor shall notify VRE to that effect, advising the estimate of additional funds required for completion of the Contract. The Contractor shall be under no obligation to perform any work hereunder, and VRE shall not be obligated to reimburse the Contractor for any work performed, if in the performance thereof the total funding then allotted to the Contract will be exceeded.

   B. VRE shall not be obligated to pay the Contractor any amount in excess of the ceiling price reflected in the Contract, and the Contractor shall not be obligated to continue performance if to do so would exceed the price set forth in the Contract, unless and until the VRE Contracting Officer shall have notified the Contractor in writing that the price(s) have been increased and shall have specified in the notice a revised price that shall constitute the price for performance under this Contract, and the Contract has been duly modified. When and to the extent that the price set forth in the Task Order or Contract has been increased, any hours expended, and material costs incurred by the Contractor in excess of the price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the price.

23. **ASSIGNMENT OF CONTRACT**
The Contract shall not be assignable, sublet or transferable by the Contractor, in whole or part, without the prior written consent of VRE.

24. **LEGAL SERVICES**
VRE legal services are provided by VRE's general counsel and counsel retained directly by VRE. Absent written direction from VRE, Contractors are not permitted to include on their team, or among their key personnel, as Subcontractor(s) or employees of the Contractor, law firms or attorneys primarily engaged in the practice of law in any state regardless of the qualifications of the firm or the attorneys. This policy does not apply to individuals employed or subcontracted by the Contractor who possess a juris doctorate but are not licensed to practice law in any state or who are no longer engaged in the practice of law.

25. **DISALLOWED COSTS INCLUDING INTEREST**
   
   A. The Contractor agrees to remit to VRE, which in turn will remit to its funding partners, any excess payments made to the Contractor disallowed by Federal, State and Local funding partners.
B. VRE will exclude any project costs incurred by the Contractor before the date of the Notice-To-Proceed unless otherwise authorized by VRE in writing. VRE will also exclude any project cost not included in the approved project budget, any ordinary governmental or non-project operating cost deemed ineligible by a funding partner. VRE shall make the final determination as to what costs are eligible.

C. Payment does not constitute a final decision about whether a cost is eligible for reimbursement and does not constitute a waiver of any violation by the Contractor of the terms and conditions of the Contract.

D. The Contractor agrees to incur costs in accordance with all provisions of this Contract and any other requirements referenced herein. Payment shall be made for eligible project costs as listed in the Contract and for no other purpose.

E. The Contractor shall remit to VRE any excess payments made to the Contractor disallowed by VRE, or any of their funding agencies, as well as any interest required.

26. **APPLICABLE LAW AND COURTS**

Any Contract resulting from this solicitation shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the federal and state courts of the Commonwealth. The successful Contractor shall comply with applicable Federal, State, and Local laws and regulations.

27. **LITIGATION AND NOTIFICATION**

The Contractor shall notify the VRE Purchasing Manager if any of the following occur:

1. The Contractor or any of the Subcontractors are served with a notice of violation of any law, regulation, permit or license which relates to this Contract.

2. Proceedings are commenced which could lead to revocation of related permits or licenses.

3. Permits, licenses or other Government authorizations relating to this Contract are revoked.

4. Litigation is commenced in which the Contractor is a named party, and which also involves as a named party, any Subcontractor of the Contractor who is otherwise a provider of indirect services or products under this Contract.

5. The Contractor or any of the Subcontractors become aware their equipment or facilities or actions are not in compliance or may fail to comply in the future with applicable laws or regulations.
28. **CONTRACTUAL DISPUTES**

Disputes by the Contractor with respect to the Contract shall be decided in the first instance by the Contract Administrator or designee who shall reduce his/her decision to writing, and mail or otherwise furnish a copy thereof to the Contractor. This decision shall be final and binding unless within thirty (30) days from the date of such decision the Contractor institutes legal action in accordance with the Code of Virginia. Pending a final determination of a properly appealed decision of the Contract Administrator, the Contractor shall proceed diligently with the performance of the Contract, including the disputed portions, in accordance with that decision.

29. **TERMINATION FOR THE CONVENIENCE OF VRE**

A. The parties agree that VRE may terminate the Contract or any work or delivery required thereunder, from time-to-time either in whole or in part, without cause whenever the VRE Contracting Officer shall determine that such termination is in the best interest of VRE.

B. Termination, in whole or in part, shall be affected by delivery of a Notice of Termination signed by the VRE Contracting Officer, mailed or delivered to the Contractor, and specifying the extent of termination and the effective date of termination. Upon receipt of such notice, the Contractor shall:

1. Cease any further deliveries or work due under the Contract on the date and to the extent which may be specified in the notice;

2. Place no further orders with any Subcontractor except as may be necessary to perform that portion of the Contract not subject to the notice;

3. Terminate all subcontracts except those made with respect to Contract performance not subject to the notice;

4. Settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of VRE;

5. Use its best effort to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this Section;

6. As directed by the VRE Contracting Officer, transfer title and deliver to VRE:

   a. The fabricated or un-fabricated parts, work in process, completed work, supplies, and other material produced or acquired for the work terminated; and

   b. The completed or partially completed plans, drawings, information, and other property that, if the Contract had been completed, would be required to be furnished to VRE.

7. Complete performance of the work not terminated; and
8. Take any action that may be necessary, or that the VRE Contracting Officer may direct, for the protection and preservation of the property related to the Contract that is in the possession of the Contractor and in which VRE or the Government has or may acquire an interest.

C. After complying with the foregoing provisions, the Contractor shall submit a termination claim, no later than sixty (60) days after the effective date of its termination, unless an extension is granted by the VRE Contract Administrator. If the Contractor fails to submit the claim within the time allowed, the VRE Contracting Officer may determine, on the basis of information available, the amount, if any, due to the Contractor because of the termination and shall pay the amount determined.

D. If the termination is partial, the Contractor may file a claim with the VRE Contracting Officer or his/her designee for an equitable adjustment of the price(s) of the continued portion of the Contract. The VRE Contracting Officer shall make any equitable adjustment agreed upon. Any claim by the Contractor for an equitable adjustment under this Section shall be requested within thirty (30) days from the effective date of termination unless extended in writing by the VRE Contracting Officer.

E. The VRE Contract Administrator, with the approval of the VRE Contracting Officer, shall pay reasonable costs of termination, including a reasonable amount for profit on services delivered or completed. In no event shall this amount be greater than the original Contract price, reduced by any payments made prior to the Notice of Termination, and further reduced by the price of the services not delivered, or those services not provided. The Contract shall be amended accordingly, and the Contractor shall be paid the agreed upon amount.

F. In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this Section, the VRE Contract Administrator shall pay to the Contractor the amounts determined as follows, without duplicating any amount which may have already been paid under Paragraph E. of this Section.

G. With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:

1. Cost of the work performed;

2. The cost of settling and paying any reasonable claims as provided in Paragraph B. above; and

3. A sum as profit on Paragraph G. above determined by VRE to be fair and reasonable.
H. The total sum to be paid shall not exceed the Contract price, as reduced by the amount of payments otherwise made, and as further reduced by the Contract price of services not terminated.

I. In the event that the Contractor is not satisfied with any payments which the Contract Administrator shall determine to be due under this Section, the Contractor may appeal any claim to VRE in accordance with the Contractual Disputes provision of the Contract.

J. Unless otherwise provided in the Contract or by statute, the Contractor shall maintain all records and documents relating to the terminated portion of the Contract for five (5) years after final settlement. This includes all books and other evidence bearing on the Contractor’s costs and expenses under the Contract. The Contractor shall make these records and documents available to the Government, at the Contractor’s office, at all reasonable times, without any direct charge. If approved by the VRE Contracting Officer, photographs, microphotographs, or other authentic reproductions may be maintained instead of original records and documents.

K. When termination for the convenience of VRE is a provision of the Contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include requirements that Subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from VRE whatsoever of loss or damage sustained by a Subcontractor as a consequence of termination for convenience.

30. **TERMINATION FOR DEFAULT**

A. Either party may terminate the Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

B. If through any cause, the Contractor shall fail to fulfill in a timely and proper manner its obligations under the Contract, or if the Contractor shall violate any of the covenants, agreements or stipulations of the Contract, VRE shall thereupon have the right to terminate the Contract by giving written notice to the Contractor of such termination. The written notice shall specify the effective date of termination and shall be delivered to the Contractor prior to the effective date of termination.

C. The Contractor shall have the right to cure its default, and thereby avoid termination, during the aforesaid notice period by remedying the circumstances which constitute the default or, where completion of such a remedy is not reasonably possible, then by taking all reasonable steps possible designed to remedy the default promptly.

D. Successive defaults of the same nature, regardless of the Contractor’s effort to cure, shall not prevent VRE from terminating the Contract.
31. **INDEMNIFICATION**
The Contractor shall not seek to hold liable VRE, or any of its officers, agents and employees for any claims, judgments, losses, and expenses of any nature whatsoever arising out of the Contract or arising out of the activities funded in whole or in part by the Contract. The Contractor shall defend, indemnify, save, and hold harmless VRE, and its officers, agents and employees against all claims and liability, including cost and expenses, arising out of, in whole or part, the acts or omissions of the Contractor or the acts or omissions of the Contractor’s Subcontractors, agents or employees. The foregoing obligations shall survive termination of this Contract with respect to liabilities arising during its term. The Contractor agrees to maintain adequate insurance in an amount and form herein specified and approved by VRE to protect VRE and its officers, agents, and employees from liability arising out of the Contract.

32. **ANTITRUST**
By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to VRE all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by VRE under said Contract.

33. **SEVERABILITY**
In the event that any provision shall be adjudged or decreed to be invalid, such ruling shall not invalidate the entire Contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

34. **FAIR EMPLOYMENT CONTRACTING ACT**
The Contractor, its agents, employees, assigns or successors, and any persons, firm, or agency of whatever nature with whom it may Contract or make a Contract, shall comply with the provisions of the Virginia Fair Employment Contract Act, Section 2.2-4200 et seq., VA Code Ann. the terms of which are incorporated herein by reference.

35. **EMPLOYMENT OF PERSONNEL**
The Contractor shall not employ any persons or persons in the employment of VRE for any work required by the terms of the Contract, without the prior written permission of VRE.

36. **CONVICT LABOR**
In connection with the performance of work under the Contract, the Contractor agrees not to employ any person undergoing sentence of imprisonment except as provided by Public Law 89-176, as amended.

37. **GEOGRAPHIC RESTRICTIONS**
Procurement transactions will be conducted in a manner that prohibits the use of in state or local geographical preferences in the solicitation and evaluation of Bids or Proposals, except in those cases where applicable statutes or regulations...
expressly mandate or permit geographic preference. This does not preempt State or local licensing laws. However, geographic location may be a selection criterion in procurements for architectural and engineering (A&E) services, provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the Contract.

38. **COVENANT AGAINST CONTINGENT FEES**
The Contractor warrants that it has not employed or retained any company or person, other than bona fide employees working solely for the Contractor, to solicit or secure the Contract, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Contractor, any fee, VRE percentage, brokerage fee, or other considerations, contingent upon or resulting from the award of making of the Contract. For breach or violation of this warranty, VRE shall have the right to annul the Contract without liability, or, at its discretion, to deduct from the Contract price or consideration, or otherwise recover the full amount of such fee, VRE percentage, brokerage fee, gift, or contingent fee.

39. **CONFLICT OF INTEREST**
A. The Contractor and its officers and employees shall comply with the provisions of the Virginia Conflict of Interest Act (Section 2.2-3100 et. seq., of the Code of Virginia), as amended, the State and Local Government Conflict of Interests Act, and Section 2.2-4300 et. seq. of the Code, the Virginia Public Procurement Act, the terms of which are incorporated herein by reference.

B. VRE is intent on avoiding conflicts of interest associated with the award of the Contract. To these ends, prospective Contractors must identify existing and prospective contractual relations they have (or could have) with agencies which could present sources of conflict as part of the Bid or Proposal submission.

C. VRE standards of conflict prohibit VRE employees, officers, board members, or agents from participating in the selection, award, or administration of a third-party contract or sub agreement supported by federal or state funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the following parties has a financial or other interest in the entity selected for award (a) an employee, officer, board member or agent (b) any member of his or her family (c) his or her partner or (d) an organization that employs or intends to employ any of the above.

D. VRE standards of conflict also prohibit real or apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a third-party contract or sub agreement may, without some restriction on future activities, result in an unfair competitive advantage to the third-party Contractor or subrecipient or impair its objectivity in performing the Contract work.
40. **ETHICS IN PUBLIC CONTRACTING**
   A. This Contract incorporates by reference any State or Federal law related to ethics, conflicts of interest, or bribery, including, by way of illustration and not limitation, the State and Local Government Conflict of Interests Act (Code of Virginia § 2.2-3100 et seq.), the Virginia Governmental Frauds Act (Code of Virginia § 18.2-498.1 et seq.), and Articles 2 and 3 of Chapter 10 of Title 18.2 of the Code of Virginia, as amended (§ 18.2-438 et seq.).
   
   B. The Contractor certifies that its Bid or Proposal is made without collusion or fraud and that it has not offered or received any kickbacks or inducements from any other Contractor, supplier, manufacturer or Subcontractor in connection with their Bid or Proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

41. **OFFICIALS NOT TO BENEFIT**
   No member of or delegate to the Virginia General Assembly, and no member of VRE, the Northern Virginia Transportation Commission, the Potomac and Rappahannock Transportation Commission or the Virginia Department of Rail and Public Transportation, shall be admitted to any share or part of the Contract, or to any benefit that may arise there from; but this provision shall not be construed to extend to the Contract if made with a corporation for its general benefits. No member, officer, or employee of VRE, during his/her tenure or one (1) year thereafter shall have any interest, direct or indirect, in the Contract or the proceeds thereof.

42. **ANTI-DISCRIMINATION**
   A. By submitting a Bid or Proposal, the prospective Contractor certifies to VRE that it will conform to the provisions of Title VI of the Federal Civil Rights Act of 1964, as amended; DOT regulations, “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation” -- Effectuation of Title VI of the Civil Rights Act; the Virginia Fair Employment Act of 1975, as amended, where applicable; all requirements of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 20003, and 49 U.S.C. §4332 and any implementing requirements FTA may issue; the provisions of 49 U.S.C, § 5332, “Nondiscrimination in Federal Transit Programs,” which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity; and Section 2.2-4311 of the Virginia Public Procurement Act.
   
   B. During the performance of the Contract, the Contractor agrees as follows:
   
   1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age, religion, or national origin. The Contractor agrees to take affirmative action to ensure that applicants are employed and that employees are treated during
employment without regard to their race, color, creed, sex, disability, age, religion, or national origin. Such action shall include, but not be limited to, the following: employment, upgrade, demotion or transfer, recruitment, or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. The Contractor also agrees to comply with any implementing requirements FTA may issue.

2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer.

3. Notices, advertisements, and solicitations placed in accordance with Federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section.

4. The Contractor will comply with all applicable requirements of Title IX of Education Amendments of 1972, as amended, 20 U.S.C. §§1681-1683, 1685-1688, with U.S. DOT regulations, “Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance,” 49 C.F.R. Part 25, and with any implementing directives that U.S. DOT or FTA may promulgate, which prohibit discrimination on the basis of sex.

7. The Contractor agrees to comply with all applicable requirements of the Age Discrimination Act of 1975, as amended, 42 U.S.C. §§ 6101 et seq.,
and implementing regulations, which prohibit employment and other discrimination against individuals on the basis of age.

8. The Contractor agrees to comply with all applicable requirements of any other nondiscrimination statute(s) that may apply.

10. The Contractor agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary, to identify the affected parties.

43. **AMERICANS WITH DISABILITIES ACT (ADA) COMPLIANCE**
   
   A. The Contractor is solely responsible for its compliance with the Americans with Disabilities Act (ADA) and must design the project to meet all ADA requirements. VRE, nor any VRE staff and/or third-party inspection service, is responsible for verifying that the project’s design complies with all applicable ADA requirements.

   B. The Contractor shall also comply with the provisions of the Virginians with Disabilities Act (§ 51.5-40 through § 51.5-46 of the Code of Virginia (1950), as amended), the terms of which are incorporated herein by reference.

   C. The Contractor shall defend and hold VRE harmless from any expense or liability arising from the Contractor’s non-compliance in meeting its obligations herein. The Contractor shall be responsible for all costs related to permitting delays, redesign, corrective work, and litigation relating to such non-compliance.

44. **DRUG OR ALCOHOL ABUSE- CONFIDENTIALITY AND OTHER CIVIL RIGHTS PROTECTIONS**

45. **DRUG-FREE WORKPLACE**

   A. During the performance of the Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the
Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each Subcontractor or vendor.

B. “Drug-free workplace” means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

46. **AUDIT**
   A. The Contractor hereby agrees to maintain all books, records, accounts, and reports required under the Contract for a period of not less than five (5) years after the date of termination or expiration of the Contract, except in the event of litigation or settlement of claims arising from the performance of the Contract, in which case the Contractor agrees to maintain the same until VRE, the Virginia Department of Rail and Public Transportation, the FTA Administrator, the Comptroller General, or any their duly authorized representatives, have disposed of all such litigation, appeals, claims, or exceptions related thereto. Reference 49 CFR 18.39(i)(11). The Contractor shall provide any documentation requested by VRE within fifteen (15) calendar days of such request.

   B. VRE, its authorized agents, the Federal Government, and/or state auditors shall also have full access to and the right to examine any of said materials during said period. The Contractor shall conduct audits in accordance with U.S. General Accounting Office, Government Auditing Standards.

47. **PUBLICATIONS**
   Articles, papers, bulletins, reports or other material reporting the results and findings of the work conducted under the Contract shall not be presented publicly or published without the prior written approval of VRE, and all materials shall remain the sole property of VRE. Publications and reports officially released after the date of execution of the Contract describing the results of any investigation or study hereunder participated in by VRE shall give recognition to VRE in the text and title page to the nature of its cooperative character.

48. **COPYRIGHTS**
   A. All copyrightable works created pursuant to the Contract shall be considered work made for hire and shall belong solely and exclusively to VRE.
