LINKING SMARTBENEFITS® TO VRE MOBILE

STEPS FOR EMPLOYEES

- Click the blue box that displays the number of tickets and price, example: “BUY 1 TICKET FOR \$12.15”
- When the TICKET CHECKOUT page appears, verify the ticket type purchased
- Click on SELECT PAYMENT METHOD (white box directly above Complete Your Order)
- The SELECT PAYMENT page appears
- If the price of the ticket purchase exceeds the amount of SmartBenefits allocated, press SPLIT PAYMENT in lower left of screen. Then click on the SmartWallet which has your benefits amount to pay for your purchase. Any difference amount will be charged to your personal credit card
- If the price of the ticket is equal to or less than the amount of benefits in the SmartWallet, click on the wallet to withdraw the funds
- Click COMPLETE YOUR ORDER
- The ticket(s) will appear on the MY TICKETS page and be stored there until activation
- Activate the ticket prior to boarding the train by tapping on it. It will say USE NOW
- Tap it again to activate. YOU MUST ACTIVATE YOUR TICKET PRIOR TO BOARDING THE TRAIN. Failing to activate your ticket may result in a summons being issued by the conductor
- Be sure to allow location services when the app is in use to activate tickets and the phone’s camera for a live screen shot.
- The MY TICKETS screen will change to a live screen shot with a floating QR code, which is an activated ticket
- During the train ride, the conductor will ask to see your activated ticket. Show the app with the screen shot and QR code
