Solicitation Provisions/Required Contract Clauses

Contract Subject to Federal Financial Assistance/Application of Provisions and Clauses

This Contract/project is funded in whole or in part by grants from the Federal Transit Administration (FTA) of the United States Department of Transportation. The award of any contract is subject to the requirements of financial assistance contracts between the Virginia Railway Express (hereinafter referred to as "VRE") and the U.S. Department of Transportation requiring compliance with purchasing procedures and standards as set forth in various federal statutes and regulations including 49 CFR Part 18, and Federal Transit Administration (FTA) Circular 4220.1F. The Contractor/Bidder/Offeror is required to comply with all terms and conditions prescribed for third-party contracts by the U.S. Department of Transportation, Federal Transit Administration (FTA).

Contractor/Bidder/Offeror is responsible for ensuring its compliance with all applicable FTA requirements. Additionally, Contractor/Bidder/Offeror is responsible for ensuring that subcontractors, at as many tiers of the Project as required, perform in accordance with the terms, conditions and specifications of the contract, including all applicable FTA requirements.

Upon request of VRE or FTA, Contractor/Bidder/Offeror shall provide evidence of the steps it has taken to ensure its compliance with the FTA requirements, as well as evidence of the steps it has taken to ensure subcontractor performance, and/or submit evidence of each subcontractor's compliance at all tiers.

The following solicitation provisions and required contract clauses will be incorporated by reference in any contract resulting from this solicitation issued by VRE. These solicitation provisions and required contract clauses are in addition to other General Specifications, Special and Technical Specifications, Bidding or Proposal Procedures, and Bid or Proposal Forms set forth in other sections of this solicitation which may also be incorporated by reference in any resulting contract. Some provisions and clauses require the Bidder/Offeror to execute and submit certain required certifications with the Bid/Proposal or contract, which are included herein. Failure to execute and submit required certifications with the Bid/Proposal or contract documents may render a Bid/Proposal non-responsive or a contract null and void.

4. Ensure that only firms that fully meet 49 C.F.R. part 26 eligibility standards are permitted to participate as DBEs;
5. Help remove barriers to the participation of DBEs in DOT assisted contracts;
6. To promote the use of DBEs in all types of federally assisted contracts and procurement activities; and
7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.

b. This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. Therefore, the Contractor must satisfy the requirements for DBE participation as set forth herein. These requirements are in addition to all other equal opportunity employment requirements of this Contract. VRE shall make all determinations with regard to whether or not a Bidder/Offeror is in compliance with the requirements stated herein. In assessing compliance, VRE may consider during its review of the Bidder's/Offeror's submission package, the Bidder's/Offeror's documented history of non-compliance with DBE requirements on previous contracts with VRE.

c. VRE's overall goal for DBE participation is set at **14.7%**. This goal represents those elements of work under this Contract performed by qualified Disadvantaged Business Enterprises for amounts totaling **not less than 14.7%** of the total Contract price.

In addition, the Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to this contract is satisfactorily completed.

1. The Contractor shall be obligated to pay interest to a subcontractor on all monies owed by the Contractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from VRE for work performed by a subcontractor under the Contract, except for amounts withheld for retainage under subsection (e) of this section.
2. The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the provisions of this section may not be construed as an obligation by VRE. A contract modification may not be made for the purpose of providing reimbursement for any such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

f. The Contractor shall utilize the specific DBEs listed unless the Contractor obtains VRE's written consent; and that, unless VRE's consent is provided, the Contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE. 49 C.F.R. § 26.53(f) (1).

g. The contractor must promptly notify VRE, whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work.
