

REQUEST FOR QUOTES

DATA CENTER POWER SYSTEM

Below are questions VRE received as of February 21, 2025, with responses. Whenever possible, questions are presented as originally asked. Otherwise, the questions or inquiries are presented to capture the main thrust or idea.

1. Are there existing wall mount maintenance bypass panels in place or will these be new installs?

There is an existing wall mounted maintenance bypass panel in place.

2. Can you send pictures of each UPS and the room they're in?

Photos of the existing conditions are attached to this document.
